Description of Coverages

Who Is Eligible For Coverage

A person who has arranged to take a Trip, completes the enrollment form and pays the required premium, and is a citizen or resident of the United States of America or Canada.

When Coverage Begins

All coverages will take effect on the later of: 1) the date the premium has been received; 2) the date and time you start your Trip; or 3) 12:01 A.M. Standard Time on the Scheduled Departure Date of your Trip.

When Coverage Ends

Your coverage automatically ends on the earlier of: 1) the date the Trip is completed; 2) the Scheduled Return Date; 3) on your arrival at the return destination on a round-trip, or the destination on a one-way trip; 4) cancellation of the Trip covered by the Policy. Termination of the policy will not affect a claim for loss that occurs after premium has been paid. All coverages under the policy will be extended if your entire Trip is covered by the policy and your return is delayed by unavoidable circumstances beyond your control. If coverage is extended for the above reasons, coverage will end on the earlier of the date you reach your originally scheduled return destination or seven (7) days after the Scheduled Return Date.

Summary of Coverages

Accidental Death and Dismemberment

We will pay this benefit, up to the amount on the Schedule, if you are injured in an Accident which occurs while you are on a Trip and covered under the policy, and you suffer one of the losses listed below within 365 days of the Accident.

The Principal Sum is the benefit amount shown on the Schedule. We will pay 100% of the Principal Sum for loss of: life; both hands or feet, or sight of both eyes; one hand and one foot; or one hand or one foot and sight of one eye. We will pay 50% of the Principal Sum for loss of: one hand or one foot, or sight of one eye.

If you suffer more than one loss from one Accident, we will pay only for the loss with the larger benefit. Loss of a hand or foot means complete severance at or above the wrist or ankle joint. Loss of sight of an eye means complete and irrecoverable loss of sight.

Please see the Definitions, page 7, for an explanation of Pre-Existing Conditions which are excluded under the Travel Delay and Medical Expense/Emergency Assistance Benefits (unless this exclusion is waived - see Page 8 for details about the Pre-Existing Conditions Exclusion Waiver).

If your Trip is delayed for 8 hours or more, we will reimburse you, up to the amount shown in the Schedule, for reasonable additional expenses incurred by you for hotel accommodations, meals, telephone calls and local transportation while you are delayed.
